

Live in Jerusalem in peace and harmony...
With a spectacular view of the old city from you balcony

About the project...

The project includes the preservation, construction and renovation of a beautiful historic Arab style house in the Morasha neighborhood of Jerusalem. The building is undergoing total renovation, and the construction of another floor, elevator and a gallery.

We are offering spacious luxury apartments with very high quality finishings that includes terraces, three exposures and an impressive panoramic view of the walls of the Old City of Jerusalem.

The location...

The building is situated on the quiet main street of the picturesque Morasha neighborhood, just a second away from the Old City and close to the center of town.

The area boasts many historic buildings, synagogues, galleries, educational institutions and others.
